

# A social swing!

Dear Golfer and non-Golfer,

Also this year, the annual golf tournament is organised, sponsored by the Nederlandse Vereniging/DBAV. This prestigious tournament will be held –as usual– at the fairways of the Golfclub Saigon South. This fantastic course will get special attention of the green keepers to bring the greens up to speed and fairways in superb condition. Nothing will prevent us from making good scores! For the non-golfers amongst us, of course they may join and get input on the game of golf from one of the many pro's and semi-pro's. After the tournament in the afternoon there will be drinks and BBQ for everybody (golfers and others). Children are of course most welcome as well.

Drinks and BBQ will be served at the residence of Tjerk and Loeke Veenstra, Tran Nao Street, Street 23, No 19, District 2, HCMC

Register yourself soonest for this prestigious tournament of the NL Vereniging/DBAV with Sarah Dang. How? Mail to: [s.danginfo@gmail.com](mailto:s.danginfo@gmail.com) and inform name with playing handicap and in addition whether you join for the BBQ. Also non-golfers are requested to react on their participation for the BBQ only. Be most welcome! For any questions phone 0906-959686.
